

Dr. Javaid did his undergraduate and postgraduate training in MD General Medicine at the Sheri-Kashmir Institute of Medical Sciences, Srinagar. He thereafter did his DM Cardiology from AIIMS, New Delhi followed by a one-year Fellowship course in Cardiac Pacing and Electrophysiology from Christian Medical College, Vellore. He is now a faculty in the Cardiac Electrophysiology and Pacing Unit.

Dr. Javaid is a multi-faceted person and has won the first prize in the prestigious inter-college declamation contest in his undergraduate training. He has also won the National Respiratory Medicine Quiz conducted by the Indian Chest Society. He won the Best-Case Award at the Complex Arrhythmia Summit, New Delhi -2022. He has presented several papers at National and International EP meetings.

He brings with him a cheerful persona and an ability to quickly identify the cause behind the patient's problems. He has a special interest in the management of Heart Failure and Arrhythmias in patients with structurally normal hearts.
